

Materials:

1. Scissors
2. Straight pin or push pin
3. Pencil with eraser or straw
4. This piece of paper (or another square piece)

Directions:

1. Decorate the pinwheel as desired
2. Cut along solid blue lines
3. Curve blank corners toward the center dot
4. Connect the corner pieces by poking a straight pin through the center
5. Push the pin through the eraser of the pencil to attach
6. Hold the pinwheel at the point of the pencil and let the wind do the rest!
