

PAWS & POURS for PREVENTION

To Benefit

The Center for
the Prevention
of Child Abuse

We are excited to invite you to become a corporate sponsor for the third annual **Paws and Pours for Prevention** event in support of the **Center for the Prevention of Child Abuse (CPCA)**. Scheduled for September 26, 2026 at Benmarl Winery in Marlboro, NY, this meaningful event aims to raise crucial funds and awareness to help end the cycle of child abuse in our community.

This cause is especially dear to me and my team, who have long supported CPCA through fundraising and pro bono veterinary care for Peace, the organization's beloved service dog. This event was created in honor of Peace who offers emotional support for so many children and families in times of crisis and has touched the hearts of everyone at our practices. For the past three years, Peace has received expert care—including diagnostics, prescription diets, and preventative treatments—from our dedicated team.

The CPCA, a nonprofit 501(c)(3) founded in 1973, serves approximately 15,000 children, adults, and families each year through prevention programming, educational initiatives, and support services. Their work has a lasting impact on our region, building stronger families and safer futures.

Our past year's events have been a wonderful success, and with your support, we aim to make Paws and Pours for Prevention 2026 even more impactful. As a sponsor, your organization will be recognized as a compassionate leader in the community—committed not only to preventing child abuse but also to supporting the bond between people and animals.

We would love the opportunity to speak with you further and share how your support can make a lasting difference. Thank you for considering this opportunity to be part of something truly special.

With gratitude,

Dr. Nicholas V. Spaccarelli
Compassion Veterinary Center and Stone Cottage Veterinary Hospital
